GCC's ARTventure camp has something creative and fun for campers aged 5-12 years old!

Every single day is packed full of creative play and critical thinking! Our camp counselors will lead your child through a fun itinerary every day. While many of our activities will be indoors, we will have plenty to do in the sun; mini soccer, yoga, nature walks and more! And you can't forget the best part of camp... SWIMMING! The campers will go down to the pool for instructional swims (for the ones that are not strong swimmers) and will enjoy organized pool games with our camp counselors!
