

# OUR TENNIS SUMMER CAMP IS BACK!

---

GCC Tennis Camp offers something for each junior player ages 5-16, whether they are being introduced to tennis for the first time, or training for team and tournament competition!

Using the USTA American development model for junior tennis, campers new to tennis will learn proper technique and tactics, using courts and equipment that fit them. Based in fun, games, teamwork and athletic development, campers learn to rally quickly and have a fun exposure to the sport they can play for life!

Our experienced coaches will focus on improving their total game with stroke development, point play and more.
